eastbourne.gov.uk/emptyhomes

If you own an empty home, get help and support on selling, letting or renovating your property. Download our advice leaflet for owners online.

Home Safety, Security and Maintenance

eastbourne.gov.uk/homesafety

Get advice online about safety, security and getting work done in your home. Download free factsheets for homeowners.

Homeowners Advice

Advice on improvements, repairs, maintenance, safety and security in your home.

These are mainly issues the council is unable to help you with directly, but this section provides you with information, links and contacts for sources of help and advice.

See Home Safety and Security for advice and leaflets to download on asbestos, carbon monoxide and gas safety, fire safety, home security and child safety in the home.

Having Work Done on Your Home

If you need to get builders and contractors to do work on your home, you can download advice leaflets from the Office of Fair Trading below.

The leaflets give practical tips on how to avoid problems with contractors, and a list of trade organisations and advice agencies who can help you.

In Eastbourne, the free Contractor Call service can put you in touch with approved building contractors who have been carefully checked and have agreed to meet strict conditions. Telephone 01323 724433 or see Other Websites for more information and an online contact form.

The East Sussex Trading Standards Buy with Confidence approved trader scheme also lists contractors for home maintenance and improvements. Telephone 01323 418215 or view the list of traders online.
