BEST VALUE PERFORMANCE PLAN. The Cabinet considered the report of the Chief Executive regarding the content and service targets for the Best Value Performance Plan for 2003/04, which the Council was required to publish by 30 June 2003. An outline of the main content areas of the Plan and Best Value Performance Indicator Targets for 2003/4 was appended to the report. The Plan provided an opportunity to communicate how the Council would operate as part of the Eastbourne Strategic Partnership and help deliver the Community Strategy. More work was required in terms of the content and design of the Plan and it was proposed that the decision regarding the final content be delegated to the Chief Executive, in consultation with the Leader.

RESOLVED: (Key Decision) That the Council be recommended to:

(1) Agree the outline Best Value Performance Plan 2003/4 content at appendix 1.

(2) Agree the Best Value Performance Indicator Targets for 2003/4 as set out in appendix 2.
